Domino 4 Basis Track is a low profile, track-mounted 95CRI architectural luminaire. The minimal aesthetic, common across the Precision portfolio, ensures the luminaire blends into its architectural surroundings. The luminaire comes as standard in brushed aluminium, with four light sources. Each light source can be configured separately with one of five changeable optics, facilitating a large number of distribution choices. The built-in, anti-reflective, magnetic accessory holder enables glare control and accommodates accessories up to 2mm thick. Domino 4 Basis Track is machined from aerospace grade 6063-T6 aluminium, delivering a lumen package of 712lm at 9.7W from its internal 24V DC driver.

Product Photometry independently tested in accordance with LM-79

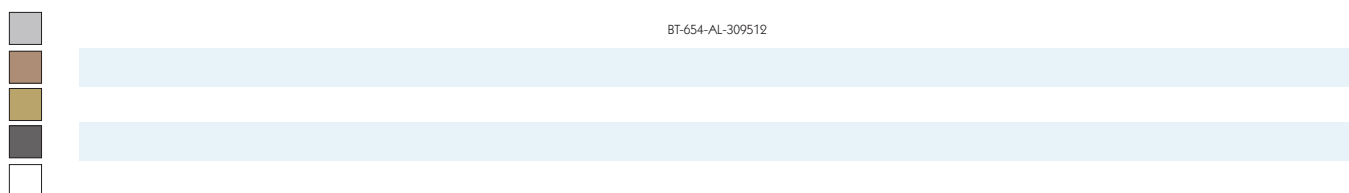

Distance (m)	Beam Diameter (m)	Footcandle (lx)
1m	0.21m	6,285 lx
