Flexible, Elegant and Multi-functional Bollard Family

SPARK is a product family that came into play for application in façade and landscape lighting. SPARK is a highly flexible and versatile product usable in different fields thanks to its rich accessories.

- Equipped with high efficacy COB LED with long time reliability
- 4 different light distribution options from very narrow to wide
- Anodized aluminum body with knurled surface improves the thermal management
- Easy locking system for fine tuning and aiming
- 0°/+355° rotatable, 0°/+90° tiltable mechanism allows precise positioning of the light beam

Product code	Product name	Light distribution	Delivered lumens flux	Rated input power	Colour temperature	Control	Weight
